Founder and director of **UML Records**, house music label established in 2020.

BIOGRAPHY

French DJ and producer Alexandre Billard performs across clubs and international events.

At home on **eclectic stages**, he has built his name on the way he reads a room and **moves its energy**, turning every set into a **true experience**.

His productions have **passed 1.8 million streams,** with releases on **We're Here**, Pablo Fierro's label, and **Make The Girls Dance**, Hugel's label. Behind the decks, his **signature is instinctive, unifying and borderless.**

As founder of the house music label **UML Records**, he champions a free vision of electronic music, driven by impact and emotion rather than genres.

Artistic Director of **Maison Bouvier** in Tignes since 2024 and **festival programmer** (Cosmic in Val Thorens, Cassis en Scène), he knows both sides of the booth.

Official DJ for Chopard since 2012, he plays the maison's events worldwide, from Geneva to Miami, Paris, London, Monaco and St Barths, and every year at the Cannes Film Festival. He is also an ambassador for **Pequod speakers**.
